Email: info@excellcia-brand.com

Characteristics

Your Direct Gateway to Japan's Finest Tea Estate

- **Versatile Supply**: we supply everything from Ceremonial Grade to bulk-packaged (5~25kg) industrial solutions.
- **Global Compliance**: With access to FDA, Halal, USDA Organic, and JAS certified products.
- **Market Expertise**: Seamless logistics tailored specifically for Middle East, Southeast Asia and US.

Unrivalled Tea Network

We build direct partnerships with farmers or tea processed manufactures throughout Japan to ensure quality consistency.

Our Origin

We create strong partnership with the farmers and processed manufactures all over Japan, such as Kyoto, Shizuoka, Aich and Kagoshima.

We provide optimal Matcha products according to customers requirements.

Flavor Profile Matrix

Grade	Umami	Ideal Application
Organic Ceremonial	★★★★★	Whisk Tea / Luxury Gifts
